

Dear students,

Please follow the guidance to complete and submit the online application by December 31, 2019 in order to meet the deadline of CSC (Chinese Scholarship Council) scholarship. The CSC scholarship will cover the summer program fee, dorm, medical insurance, and a stipend of 2,500 Chinese Yuan (about 350 USD) during your 4-week stay at SHOU. Preliminary Chinese competency is not a pre-requisite.

At the end of your application, you need to upload the photo page of your passport, and your MSU transcript. The transcript can be downloaded from your Degree Works.

As for the medical examination form, you can upload it after December 31, 2019 when you complete it with your family doctor. The doctors at MSU campus clinic will be able to complete this form for you. You do not need to complete the X-ray section in the medical form.

After your application is approved by SHOU in early Spring 2020, you will need to complete a Study Abroad Online Registration with MSU OIP, fill out Study Abroad Credits Approval Form so that your credits can be transferred to MSU, and attend OIP's pre-departure orientation in late April, 2020.

If you have any question, please feel free to contact Dr. Hua Li at huali@montana.edu, or drop by her office in Gaines 118A.
